## Introduction

IN this, our 27th annual sale, we are offering fifty Shorthorns that represent our best efforts to produce cattle with individuality and blood lines that will meet the demands of discriminating buyers.

For the benefit of many new breeders who may not be familiar with the herd we will review some of the more prominent herd bulls used during the past twenty-five years. In 1900 Hampton's Best—considered the best son of Imp. Merry Hampton—was purchased from C. B. Dustin, of Ill. Four calves sired by him won the challenge cup at the International in 1903, for four best calves bred by exhibitor; he also sired the first prize young herd at the World's Fair in St. Louis.

In 1904 and 1905, Good Choice and Best of Goods, both sired by the World's Fair Grand Champion Choice Goods, were purchased for use in the herd. With these two sons of Choice Goods line breeding was practiced to some extent, producing such animals as Superb Goods and Diamond Goods first prize aged bull at the 1913 International and a consistent sire of prize winners at leading shows. During this period Whitehall Sutan and his sons were proving a powerful factor in improvement and mighty in the show ring; so the next two herd bulls secured were Radium and Sultan Supreme, both line bred Sultan bulls by Double Dale, an inbred son of Avondale. Radium sired many national show winners and was the sire of Golden Secret 2nd, the dam of Oakdale Stammore, the grand champion of the 1926 International.

Sultan Supreme was mated with a daughter of Imp. Villager, producing Village Supreme, grand champion bull at the International in 1916. From Sultan Supreme and Village Supreme have come numerous great breeding and show animals of both sexes including Standard Supreme, Supreme Model, Supreme Marshall, Supreme Commander, Supreme Choice, Supreme Mason, Supreme King, Supreme Rosebud, Lady Supreme and Supremacy, winners of many championships at State Fairs and National shows. Not overlooking the value of Cumberland blood, a daughter of a Choice Goods bull was mated with Cumberland's Best, a son of Cumberland's Last, producing Parkdale Baron, sire of the International winning calf, King Baron; also Lavender Baron, used extensively in the herd and sire of Supreme King now in service.

In 1925, recognizing the value of Imp. Rodney and his sons, we purchased Maxwalton Baron by Rodney out of Maxwalton Blossom by Count Avondale by Avondale. The dam of Count Avondale was by Count Lavender, the sire of the dam of Whitehall Sultan.

Our aim has been to combine and intensify the blood of the best bulls of the breed and by so doing afford an opportunity at our annual sales for the purchase of foundation cattle that can be depended on to reproduce their kind.

With the above comment on former herd bulls, we are presenting, here, a brief review by W. C. McGavock, of the foundation cattle appearing in some of the families represented in this sale:

# Families

## THE QUEEN OF BEAUTY FAMILY

A Cruickshank strain which was esteemed as highly as any ever maintained at Sittyton. It is from the same maternal source as the Orange Blossoms. From Sinclair's "History of Shorthorn Cattle" we quote concerning it: "In 1847 a roan cow named Fancy was got from John Hutcheson of Monyrue. She had for sire the good Ury bull, Billy 3151. Her dam Jessy by the Ury bull sovereign 7539 had been bought by Hutcheson from Rennie of Kinblethmont, descended from the Lady Kirk stock. Fancy bred well and there were many of her sort at Sittyton. A daughter of Fancy's named Edith Fairfax was also got from Hutcheson in 1851. She was one of the two celebrated calves left by Sir Thomas Fairfax which died at Monyrue. Some capital beasts were bred from this cow, such as Queen of Scotland by Matafore. Her daughter, Queen of the South, was one of the grandest cows in the herd. Another daughter, Orange Blossom by Dr. Buckingham 14405 founded the family of that name from which came Mr. Marr's fine bull William of Orange that did so well at Upperhill;" Queen of the South, referred to by Mr. Sinclair, was the dam of Gem of the South, appearing in these Queen of Beauty pedigrees. From this old Cruickshank tribe at Parkdale have descended show animals of both sexes, noted stock bulls and great breeding cows.

## THE SWEETHEARTS

A family established at Parkdale from which excellent results have been obtained through the cow Modesty, a daughter of Champion 106772 by Baron Barmpton 78793. This cow was mated at Parkdale with Victorallan 212209, a son of Imp. Victoria's Count, whose dam was a half sister to the dam of White Hall Sultan and whose descendants have been bred to bulls of Choice Goods, Sultan, and Cumberland blood. The strain has produced uniformly good cattle, including Diamond Goods, a first prize winner in an aged bull class at an International Exposition and which as a breeding bull has exerted considerable influence toward improvement in the breed. It is a Sittyton family renamed. The imported cow of it, Athene, was bred by Amos Cruickshank, got by Baron Violet 90446 by Roan Gauntlet, the bull ranking next to Champion of England among all the great Sittyton sires. The descendants of Athene are known by her name in other herds, but it is likely that there is no more meritorious branch of the family than the Sweethearts at Parkdale. They originated at the very fountain head of excellence in Scotch cattle breeding in Scotland. They are maintained in a herd where the blood of the greatest show and breeding animals of the present period is freely used.

## THE VICTORIAS

One of the old Cruickshank families esteemed at Sittyton. The Victoria females mated with the blood of Champion of England produced excellent results. Victoria 29th, a daughter of this famous bull, was a splendid cow and prolific producer of good ones. Her daughter, Victoria 41st, by Lord Privy Seal, was the dam of Ventriloquist, celebrated as a breeding bull in the herd at Barthol Chapel. Victoria 57th, a cow with the substance which delighted Amos Cruickshank, was

by Barmpton Prince 32955. Victoria 48th by Lord Lancaster was a cow which measured up to the Sittyton standard. She was the dam of the stock bull Royal Victor 43792, sire of Gravesend 46461. Vermont 41793 did good service in the Kinellar herd by Mr. Campbell. The Victorias have a long pedigree tracing back to Charles Colling's Lady Mayhard, and their bull calves often brought high prices at Sittyton. Baron Victor, the bull with which Col. Harris headed his pioneer herd of Scotch cattle, was a Victoria, and there have since been many noted herd headers in both Britain and America belonging to this tribe. Parkdale Victoria 8th 49504, bred and shown by Bellows Bros. and Junior Champion of the International and American Royal of 1917, is one of the best female specimens of the family seen at American shows.)

### THE AUGUSTAS

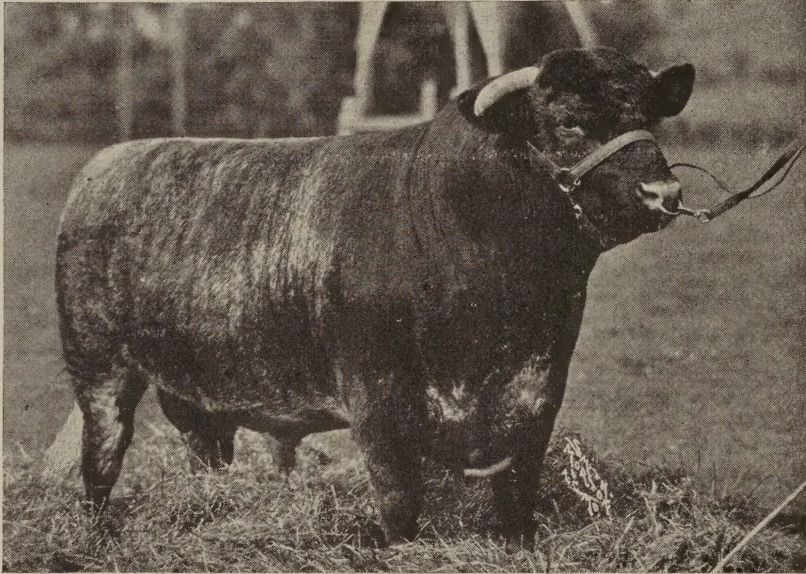

James Bruce, Inverquhomery, Longside, Aberdeenshire, Scotland, has produced a type of cattle which is in great demand wherever Shorthorns are bred. The Bruce families are the most popular and fashionable. None are more so than the Augustas, from which have come so many of our greatest prize winners and breeding animals. Mr. Bruce has accomplished these results by the use of the Cruickshank bred bulls Cetewayo 106728, Clear-the-Way 96746 and Privy Seal 109647; and also with the Duthie bred Royal Robin 135235 and the Strachen bred Waverly 136405. Other sires have played a part in the production of the Inverquhomery celebrities, including La Premier 108708, a Rosewood by Cherry Prince 106808, a son of Champion of England, and Bandullae 149254, an Augusta by Clear-the-Way from a dam by Privy Seal. La Premier and Bandullae were bred at Inverquhomery. Their services in the herd united the blood of the two favorite families produced there, while it intensified the blood of the famous bulls from Sittyton. The Augustas have proved prolific producers of prize winners in America.

### THE CLARAS

It was at Uppermill, Old Meldrum, Scotland, that the Claras achieved fame as a family. They came to Uppermill through Clara 10th, by Speculator, secured from Mr. Hay at Shethin. She was calved in 1858 and was a prolific breeder. Between 1861 and 1867 she left as many as ten calves in the Marr herd at Uppermill. Her bulls were in good repute making good prices and siring cattle of such character that the celebrity of the tribe was sustained through succeeding generations. There were some grand cows of the strain at Uppermill forming with their produce one of the most attractive groups to be found in this celebrated herd. The most famous bulls of that day were used on the Claras. Captain of the Guard and William of Orange, ancestors of the most celebrated show and breeding animals of the present period, are found in the Clara pedigrees. The greatest show bull produced at Parkdale, Village Supreme, was of the Clara family. He was Junior and Grand Champion of the International Exposition of 1916. He was also one of the greatest breeding bulls ever in service in the herd. Champions and numerous prize winners of today are descended from him.

Supreme King is a smooth rugged bull with great width, good constitution and real bull head. He is of the Croceus family—the second cow of which was bred by J. Deane Willis, the breeder of White Hall Sultan and sired by the Bruce bred Rosewood bull, Silver Plate, one of the best sires of his day. Calves by Supreme King are of the right type and very promising.

Fair Beauty, dam of Supreme Mason  
Standard Supreme at side

It is seldom Shorthorn breeders have an opportunity to purchase a tried sire that is a full brother to five great breeding bulls that have made good by siring prize winners in the leading shows the past few years. We refer to Supreme Commander, sire of many winners for Frank C. Baker, of Kansas City; Supreme Archer, successfully used by Sni-a-bar Farms, later going to the herd of Judge Thurman, of Kentucky; Supreme Marshal, at the head of the select herd of C. M. Browne, of Huxvasse, Mo.; Standard Supreme, the top bull of our 1919 sale; and Sterling Supreme, successfully used by Prescott & Sons, of Michigan.

Fair Beauty is the most valuable breeding cow we have ever owned, and when mated with Village Supreme, she produced dependable herd bulls of great value. **Supreme Mason** is an outstanding individual and is siring splendid calves.

Spicy Lady is a good, thick, low set, red heifer. Both her sire and dam are red. Few better bred heifers are offered. Sells open.

### Come Early and Avoid the Rush

The loftiest vocation on the American farm is the breeding of beef cattle. It is a calling which benefits a prince of the land.

Great wealth is not required to become a great cattle breeder. Only common sense and patience; the artist's eye and honor.

Tell the boys this: never again will a man be able to become a great breeder of beef cattle at so little outlay for seed stock. The demand for blood has not yet caught up with the demand for meat. Get in now, and reap some of the unearthed increment that comes when they all wake up. Buy your heifers or cows this summer. They'll never be so cheap again.

There are three breeds to choose from. You know which you like. Don't worry too much about the pedigree. See the sire and dam if you can.

Buy now, and thank us next year for the tip.
